I HAVE A DISABILITY OR HAVE TROUBLE UNDERSTANDING

This card will help you communicate with me.

QUICK COMMUNICATION TIPS:

- Get my attention first
- Make eye contact when you speak
- Speak clearly at a normal pace and tone
- Do not shine a flashlight in my eyes. I may have seizures.
- I may have memory problems and it may take me longer to process what you are telling me.
- I might have a card to help me communicate

The best way to communicate with me is:

- TEXT
- HEARING AID
- WRITING
- INTERPRETER
- CAN READ
- CANNOT LIP READ

If I am deaf, in the event of a medical emergency or police proceedings, I have the right to a qualified interpreter. To find qualified interpreters in the state of West Virginia, please visit www.wvdhhhr.org/wvcdhh/findaninterpreter.cfm.
